PROFESSIONAL EXPERIENCE

Liebovich Steel & Aluminum, Rockford, IL

06/2008 to Present

CNC Programmer

One of six hired to support a crew of over one hundred shop workers, including several offsite companies as needed. Maintained consistent results, while finding ways to increase productivity in an ever-growing market. Attended manager-training seminar.

- Maintaining a 99% accuracy rate.
- Authored programs to streamline and replace current actions (BATCH, 2013)
- Travel to research and educate teams on emerging processes.

Mack Designs, Rockford, IL

05/2004 to Present

Art Director (Freelance)

Created design themes for marketing and promotional materials:

- Lo-poly 3D models and textures for mobile game – New Breed Games (Photoshop, Illustrator, 3DS Max, 2014)
- Website design consultation – www.independentearproductions.com (Photoshop, HTML, CSS, 2014)
- Event Apparel and announcements – Erickson Family Reunion (Photoshop, Illustrator, 2004, 2008 & 2012)
- Menus and table tents – Coyote Hot, Rockford, IL (Photoshop, Illustrator, 2006), Cronies, Rockford, IL

(Photoshop, Illustrator, 2007)

- Website design & brochures – Venice Terrazzo & Tile – www.venice1918.com (Photoshop, HTML, CSS, 2006).

Rock Valley Publishing, Machesney Park, IL

08/2007 to 09/2007

Graphic Artist

Created ad copy and designs in local ads for several newspapers and flyers (Photoshop, Illustrator, 2006)

TSC North America, Marengo, IL

09/2006 to 12/2006

Graphic Artist

Created design themes for marketing and promotional materials. Collaborated in teams, producing print and promotional items for key clients in the salon market.

- In-store flyers, direct mailers & company catalogs – Emiliani Enterprises, Hamilton, NJ. (Photoshop, Illustrator, 2006)

EDUCATION

Bachelor of Science, Computer Graphics and Interactive Media, University of Dubuque, Dubuque, IA

General Coursework, Rockford University, Rockford, IL
